PROPERTY AND CASUALTY INSURANCE FOR RENTAL PROPERTIES

The organizer is not liable for any damage that exhibitors may cause to third parties, nor for damage to exhibitors' property.

However, the organizer offers exhibitors the opportunity to join the insurance contract that COMEXPOSIUM ASSURANCES has taken out on their behalf with AXA FRANCE. This insurance contract covers damage to exhibitors' property (loss, theft, destruction) and stand fittings, under the conditions and limits of the insurance policy; subject to the exhibitors' adherence to this policy by taking out the insurance proposed in the participation file.

This AXA France insurance contract No. _4 299 10 204 is an appropriate solution in view of the situation, the needs expressed and the financial conditions of the policy (deductible, insurance indemnity and premium). It is recalled that the insurance taken out by the exhibitor does not cover his civil liability. As such, the exhibitor acknowledges that he has taken out with an insurance company all the necessary insurance covering his civil liability and that of any person participating directly or indirectly in the exercise of his activities and/or those of his company, for any physical, material and immaterial damage caused to others, on the occasion of his participation and/or that of his company in the MEDFEL Event to be held from 24 to 26 April 2019 (including during the assembly and disassembly periods). Insurance premiums are invoiced by COMEXPOSIUM in the name and on behalf of COMEXPOSIUM ASSURANCES and are exempt from VAT (article 261 C 2° of the CGI).
